“Meet your fellow Mad City Vette members”

Ron & Georgia Kuhn

Georgia and I met 40 years ago at my birthday party in Madison. We were married exactly 6 months from our first date. I guess it was love at first sight. I was a Trooper, Sergeant and then a Lieutenant with the Wisconsin State Patrol and I had the family moving many times. We lived in West Bend, Allenton, Spooner, Fond du Lac and even Illinois. Finally we settled in De Forest (Town of Windsor) where we have lived for 19 years.

We raised two children, Jeff and Michelle. Jeff lives in Stoughton with his wife Koreen and our two grandchildren, Nicholas (6) and Alyssa (3). Our daughter, Michelle, is living in California with her husband Jeff and our newborn grandson Andrew.

Georgia is retired from Kraft (Oscar Mayer) where she worked as an administrative assistant in R&D Packaging/Processing & Quality Assurance Packaging Specifications. Ron retired from the State Patrol. We must admit neither of us has missed going to work everyday.

We love to travel and have taken many vacations to warm climates (Hawaii, Jamaica, Bahamas, Mexico & the Virgin Islands) during the Wisconsin winters. Now that Andrew is here we will be going to California more often.

We owned two Corvettes and have been club members for 3 years. We enjoy the social activities and meeting all the members. We attend as many of the activities as we can.

Ron was the first Director of Security for the Wisconsin Lottery appointed by Governor Thompson. I was instrumental in setting up many of the games that are in play today, including the online games. The Lottery TV Game Show and the First Two Million Dollar Drawings were my brainchild as well.
